Re: Antonia Roman v. Gretchen Campbell
Case No. 07 cv 8055 (CLB)(GAY)

Dear Mr. Aglietti:

As per the instruction of Alice Cama of Judge Bricant's chambers, the initial Case Management Conference before Judge Brieant, previously scheduled for December 7, 2007, is now adjourned pending the Court's determination as to the default by Defendant and/or the amount of damages. We will notify Judge Brieant of the outcome of the matters pending before Magistrate Judge Yanthis.

Please mark your calendar accordingly.

Very truly yours,

Steven Giordano
